Live Streaming Event (LSE) Package

Promote your bioskills events through live streaming on your website homepage to draw attention to your medical device, build brand awareness, and ultimately boost sales.

Key Features:

- Multi-angle, 4 to 6-feed, live stream w/uni-directional or two way audio
- GDPR and HIPAA compliant technology

Deliverables:

- Broadcast to Sponsor hosted online event and on the mSTI hosted site, available to mobile lab event registered attendees, as well as all mSTI registered HCP members.
- Notification of event to all mSTI registered HCP members.

NOTE: BCA or AIE recording package add-on available for surcharge

Cost: $ 3500
